2023-24

Charging and Remissions Policy

Contextual Introduction

Pupils who are admitted to the wards within the Southampton Hospital site are all consultant referred. As soon as young people are deemed well enough to receive education, they are offered tuition either at bedside or in a classroom.

No charge is made for teaching received or for any books or resources.

School Trips

School trips are offered as part of the curriculum during school hours and all pupils who are well enough to participate are included. There is no charge made for school trips although voluntary contributions are accepted. Pupils are invited to attend all trips regardless of whether a contribution is made.
